

### About the Founder/Pastor

Apostle Pate is the Pastor/Founder of Healing Hands of Love. After medically retiring from the military, she moved to Fayetteville, NC where she currently resides. She is the mother of two daughters and grandmother of six.

She has furthered her studies in Criminal Justice at Atlantic Christian College (now Barton College), Wilson Community College, in Wilson, NC, and Fayetteville State University in Fayetteville, NC. She began her studies in Christian Counseling through Broadway Baptist in Augusta, GA and received her BA with License in Christian Counseling from Calvary Theological Seminary and is currently working on her Masters in Clinical Christian Counseling with License through Grand Rapids Theological Seminary Cornerstone Univ. She is a Certified Temperament Counselor, Licensed Clinical Pastoral Counselor, Certified Professional Member of the NCCA, active member of "GFAM" Global Fellowship of Apostolic Ministries based in Fayetteville and founder of KCIFM Kingdom Connections International Fellowship of Ministries.

The Lord began to use Apostle Pate in the prophetic at the age of 12 and now He has empowered her to walk in the Five-Fold Ministry gifting with a strong healing and deliverance ministry. In 1996 after completely surrendering to the Will of God, she answered the call to full-time ministry and in 2000 under the guidance of Apostle William T. Ford, Sr. of Kingdom Impact Global Ministries she began a more formal and in-depth Ministerial Training which empowered her for a greater work. In 2014 she was confirmed as an Apostle.

In the Fayetteville area, she served as member, Chaplain and Director of the Jail Ministry Program for 23yrs at the Cumberland County Detention Center. She enjoys sharing words of hope with inmates while encouraging them to strive to make positive changes in their lives. She is a former Domestic Violence Intervention Counselor and on call Rape Crisis Volunteer.

While serving in the Military, God favored her with the opportunity to travel all over the world, and during this extensive travel, she saw much sadness and devastation throughout the land. Being moved by the pain and sorrow of God's people, she now has an urgency in her spirit to reach as many as possible, doing whatever it takes to bring about healing and change for their lives.

After being healed physically and mentally from rape and domestic violence, healed from partial paralysis, blindness and ovarian cancer; delivered from drugs and alcohol and being snatched out of the hands of the enemy, she has vowed to run faithfully for the Lord, mending the broken pieces with healing hands of love!

## *The History, Purpose and Vision*

*Many are the afflictions of the righteous,  
but the Lord delivereth him out of them all.*

*Psalm 34:19*

### **“Strengthening - Building - Empowering”**

Healing Hands of Love is a Non-Denominational healing and deliverance ministry flowing in the apostolic and prophetic. We focus on mending, restoring, strengthening and building God’s people. We use the infallible Word of God to preach good tidings to the poor, to heal the broken hearted, to proclaim liberty to the captives and to open every prison door of those who are bound.

**OUR MISSION:** By the leading of Holy Spirit we continue to reach out to help make a difference in the lives of those who are yet still waiting for their total deliverance from all addictions, mental and physical abuse, and from the many challenges life may bring.

We stand firmly on the Word of God, as we seek to encourage every person to come to a place of total peace and wholeness, as they allow the Lord to completely heal them; mind, body and soul. For we at Healing Hands know that "with God, ALL things really are possible."

**HISTORY:** Healing Hands was founded by Apostle Pate in Columbia, SC in October 1993. It started out as an Outreach Ministry geared towards Empowering people of all ages and Youth “JAMM” Sessions (Just A Mind Makeover) which focused on empowering youth to deal with the challenges in their lives.

In December of 1995, after the move to Fayetteville, NC, the Ministry rested for a season. In 2003, Healing Hands was revived into a healing and deliverance ministry reaching out to the broken and abused. In 2004, the Website was created as an extended outlet for the broken to make personal prayer request and receive a word of hope and encouragement. In March 2009 the church was re-birthed/Incorporated, and on September 6th, 2009 Healing Hands celebrated its 1st Worship Service in the Fayetteville area at the location of 310 Green Street, Fayetteville, NC. In July 2011, the church moved to 1900 Beech Street where we worshiped for four years. On July 1, 2014 the ministry name was changed to Healing Hands of Love Kingdom Connections International. In July 2015, the church moved into its current location 601 Ramsey Street.

### **OUR FUTURE GOALS:**

- **Restoration and Transitional Housing:**  
A place for released Inmates and the Homeless.
- **Full Healing Center:**  
Serving broken and abused women

## **MINISTRY & ENRICHMENT CENTER**

We truly believe that in this hour God is preparing Healing Hands for a greater work that will help impact the city, the church, but more so, God’s Kingdom in a great way.

At this time, we are ministering to the needs of God’s people by; preaching to the lost and feeding and clothing the needy in our community as well as the Fayetteville area.

Our facility provides the space of 7200sqft which allows us to do a much greater work in serving our community. The layout consist of:

### **1ST FLOOR**

- \* Sanctuary
  - \* Fellowship Hall
  - \* Nursery
  - \* Bookstore
  - \* Food Pantry/Soup Kitchen
- \* **Food Pantry / Soup Kitchen:** We serve full hot meals as well as packaged food boxes for needy families, etc.

### **2ND FLOOR**

### **COMMUNITY ENRICHMENT CENTER**

- \* **Clothes Closet:** We conduct an annual Coat & Blanket Drive for distribution to the needy. Along with these drives we supply clothing for all age groups (young and old). We give out men and women dress suits, dresses, and all items needed for a professional looking presentation. We also conduct Dress for Success Classes to teach individuals how to dress and carry themselves during Job Interviews.
- \* **Resource Center:** We offer basic knowledge in Life Skills, pass out Community Information and Resource guides, and offer Training Skills such as: Resume Writing, Reading and Writing Classes, Finance Workshops, etc, as we strive to help teach individuals how to move towards building more productive lives and give back to their community.

\* **Healing Center for Women:** Serving as a safe, confidential and quiet healing environment for women who have been broken in spirit due to Divorce, Domestic Violence, Rape, Low Self-Esteem, etc. We also strive to help in the healing of them mind, body and spirit.

\* **Youth Empowerment Center:** We offer “JAMM” Sessions, Afterschool Tutoring, Boot Camp for A Better Life, and much more. We try to respond to the growing number of youth that are either falling through the cracks at school or are already entangled with the juvenile court system. The goal of this program is to identify youths who are going to have a turbulent transition to adulthood and offer positive support system to help them avoid the pitfalls that can derail their lives. The focus is slightly different at each level but the goal remains the same; to empower Youth to make positive changes in their lives.

\* **Adult Empowerment Center:** Group Sessions which help empower men and women to reach beyond the breaks in their lives so they can deal with the giants and struggles they face daily. We also offer Single Parent Sessions, Marriage Enrichments, etc.

\* **School of Ministry:** Helping to inspire individuals to grow more in the Word, perfect their Spiritual Gifts, and Equip and Empower them for ministry.

\* **Fit For Life Healthy Living Center:** We conduct Healthy Living Classes, Nutritional Cooking ideas for well Balanced Diets, etc. We believe that if the body is healthy then the lives of the people will be strengthened and they will be more able to be productive, not only in their personal lives, but they will be empowered to be able to give back to the communities they live and work in. We also focus on how to stay fit with safe exercise classes, composing of; Stretching Your Way in Praise, etc.

All Group Sessions offered in the Enrichment Center are free and open to the public. However since the Enrichment Center is also Non-profit as well as the ministry aspect of the facility, to fund it, it is also set up to conduct Small Group Meetings, Mini Seminars and Conferences and is also being used to house a small Production Company producing Community Plays and etc. for a small donation.

*As the Lord leads, we know that there will be more to come so that we may be able to continue to help the people of our city and also be able to help in the furtherance of the Gospel.*

*Thank You In Advance For Your Support.
